Admission requires a one-time fee of € 2.500. The annual membership fee is currently fixed with € 2.500. For non-commercial organisations and for companies with a turnover < € 1M no admission fee is required and the annual membership fee is set to € 660. Collection of late payments will be carried out by a collection agency. After the 2<sup>nd</sup> ineffective reminder the EFRC has the right to charge a penalty fee of € 500. Costs have to be borne by debtor.

With respect to reciprocating compressors we are actively involved in (please check mark):

- Fundamental research
- Product development
- Engineering
- Training or publications
- Component or controls manufacturing
- Machinery manufacturing
- Maintenance or upgrade services
- Trading of thereof
- Usage

---

We will support the goals of the EFRC by (please check mark):

- Participating in the assemblies of the EFRC sending qualified representatives
  - Participating in at least one of the EFRC working groups (standardisation, student promotion, training) sending qualified representatives
  - Participating in the EFRC working group pre-competitive research sending qualified representatives (for this working group additional financial contribution is requested)
  - Participating in the organising committees for the EFRC conferences sending qualified representatives
  - Supporting EFRC activities – such as training seminars, workshops, marketing – contributing work and knowledge
  - Declaring readiness of our representatives to be available as candidates for the elections of the EFRC organs (board members, workgroup chairpersons, auditor)
- We agree to the statutes, the code of conduct and the goals of the EFRC. (Documents can be found at [www.recip.org](http://www.recip.org) )**

Accession to the EFRC requires confirmation by the EFRC board, which will be decided upon answers declared above.
